Front cover: "Landscapes and Figures" from "The Tale of Genji," translated by Reiko M. Hayashi and Jiro Akahori; published by American University Press; illustrations by the authors.

This book is a collection of conversations between Jiro Akahori, a renowned Japanese journalist, and various artists, writers, and scholars. The conversations explore topics such as art, nature, and the future of Japan. The book is a unique and insightful look into the minds of some of Japan's most influential thinkers.
