

Theories of Media: Course Requirements

1. Regular attendance at lectures, screening/performances, and discussion groups. (Working groups for graduate students; Wednesday and Friday discussion for undergraduates).
2. Five minute Show and Tell Presentation on the evening of January 15th or 22nd.
3. Keywords Article: 3 single-spaced pages, plus bibliography of sources consulted.
4. Midterm exam (for undergraduates only).
5. Final paper, due March 8. 10 pages for undergraduates; 15 for graduate students.

Extra Credit:

1. Taxonomy of Media (see optional assignment).
2. Contribution to annotated bibliography. Read a book or article aside from those discussed in the lectures, and write a brief (one page) description, with a precis of the argument.
3. Find a website useful to students interested in Media, and write up a short description of what it offers. Be sure to include essential information (URL, etc.)
